VINU TECH TOOLINGS

PIONEERS IN VMC MACHINING AND FIXTURES

PROPRIETOR

VINAY H.S

MILESTONES

- **2014 Inception of VINU TECH TOOLINGS with BMV 60 with 4th & 5TH Axis (610x610x1050), Surface plate, drilling machine and measuring instruments.**
 - **2016 Added one Cosmos CVM 800**
 - **2018 Added one Surface Grinding Machine(700x300)**
 - **2022 Planning to add Two Milling Machine KTM 11065 ,10055 with 4th & 5TH Axis (650x650x1100) & (550X550X1000)**
- 

QUALITY POLICY

ISO 9001:2015 Certified Company

VINU TECH TOOLINGS delights the customer by supplying good quality machined components and fixtures at optimum cost and Timely delivery through continuous improvement in all the aspects of the Quality objectives.

QUALITY OBJECTIVES:

- 1. Continuous information sharing and training to Employees for quality improvement and technical upgradation.**
 - 2. To create awareness, to do it right first time, to avoid Wastage and to ensure good quality.**
 - 3. Continuous improvement in designing and machining Area for upgrading facilities to cater the modern manufacturing industries requirements.**
 - 4. To create excellent working atmosphere by Maintaining good, Clean and Safe environment.**
- 

VINU TECH TOOLINGS is a small scale industry started in the year 2014 with a small set up, engaged in the manufacturing of high precision quality Machined components and Jig & Fixtures.

The present strength of the Employees is 5. The operators are on the job trained to acquire high skills to meet the required quality and delivery standards.

To cater today's high speed, high accuracy requirements of the Customers, another CNC machine has been installed.

The Company is enjoying good customer base,
Some of the Esteemed customers are:

- **BHARATH ELECTRONICS LIMITED (BANGALORE)**
 - **BHARATH EARTH MOVERS LIMITED(BEML), MYSORE**
 - **BHARATH EARTH MOVERS LIMITED.(BEML) KGF**
 - **BRITISH ENGINEERING(INDIA) PVT. LTD (EOU)**
 - **HOMAG INDIA PVT LTD.**
 - **BILZ TOOL(INDIA) PVT. LTD (EOU)**
 - **YUKEN INDIA LIMITED.**
 - **PROTEKZ (Tool &Die makers)**
 - **PRECISION TOOLS &IMPLEMENTS (Tool &Die makers)**
 - **AERONAUTICAL DEVELOPMENT ESTABLISHMENT
(DRDO)**
- 

OUR VISION.....

- **To provide quality machined components & Fixtures, to Through continuous improvement in our process, to Facilitate customers, to recognize us a best and reliable supplier.**

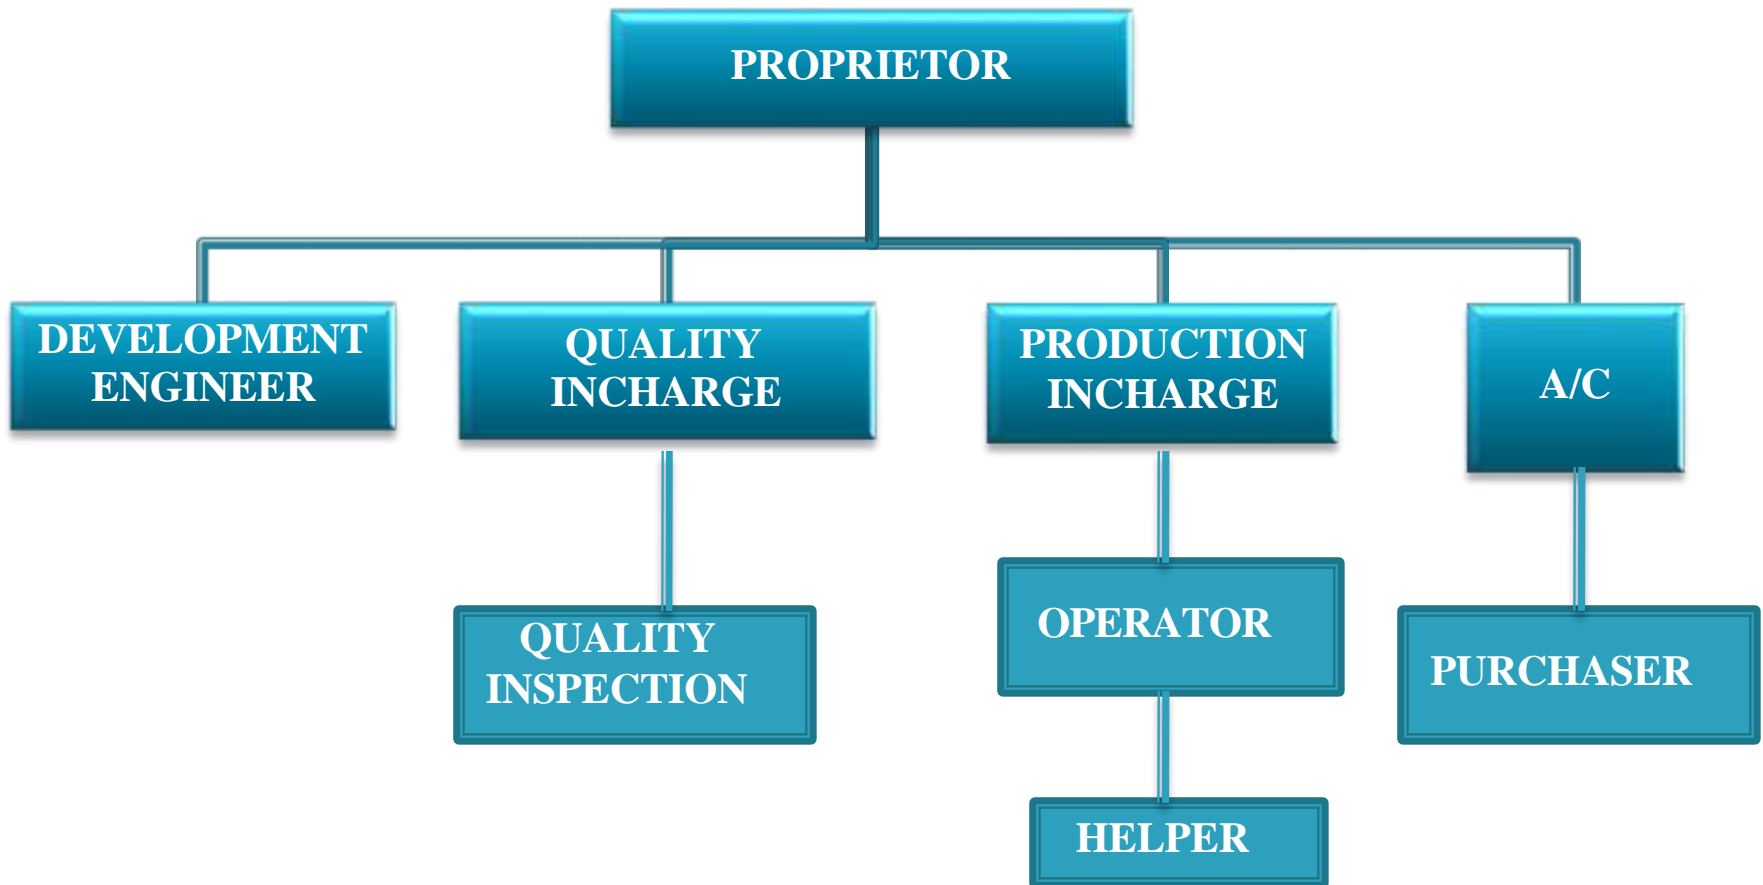

HUMAN RESOURCES

- 1. Top management is highly dedicated and pioneers in the field.**
 - 2. Proprietor is having 12 years of experience in Manufacturing Engineering at reputed Organizations in India.**
 - 3. Operators are trained in the concerned machining equipments with all the technical inputs.**
- 

OUR POSITIVE POINTS

- 1. Customer complaints are attended immediately considering the corrective and preventive actions.**
 - 2. In process nonconformities are controlled by continuous monitoring, information sharing and with preventive actions.**
 - 3. In-House training programs are conducted to upgrade the skills of the Employees.**
- 

ORGANISATION CHART

VINU TECH TOOLINGS

Peenya 2nd stage, Bangalore.

LIST OF INSTRUMENTS

VTT	Instrument calibration Record			
Si no	Identification	Description	Make\Range\LC	Calibration/friq
1	New	Surface table	MMT/100*630	3yeras
2	New	Height master	Mitutoyo/0300/0.01	1 Year
3	New	Digital veneer	Mitutoyo/0 150/0.01	1 Year
4	New	Micro meter	Mitutoyo/0-25/0.01	1 Year
5	New	Micro meter	Mitutoyo/25-50/0.01	1 Year
6	New	borgauge	Mitutoyo/10-18	1year
7	New	Boregauge	Mitutoyo/18-36	1 year
8	New	Boregauge	Mitutoyo/36-60	1 year
9	New	Vertical Measuring instrument(2D)	TRIMOS Swiss make	1 year
10	New	Surface table	NTMT/1000*1000	1 YEAR

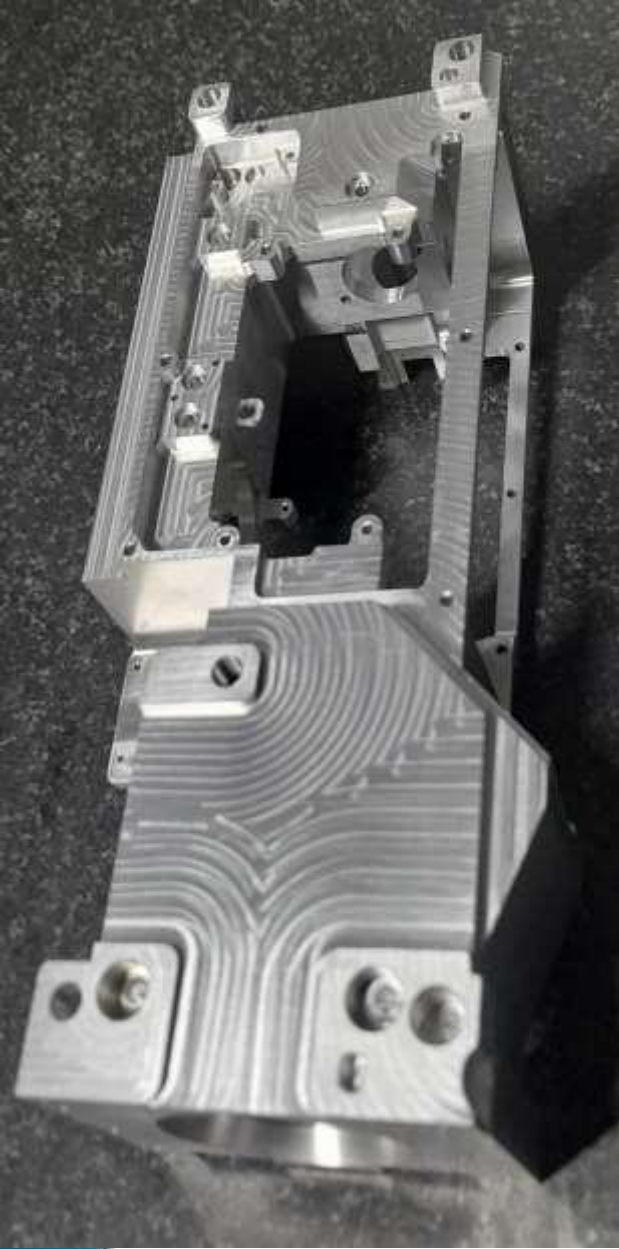

LIST OF MACHINERY

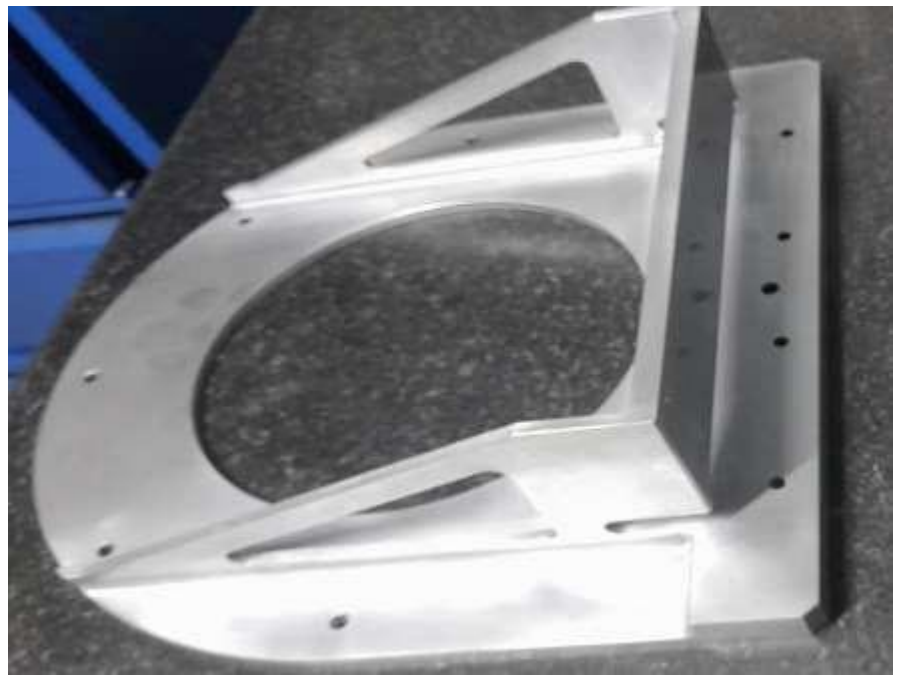

SI. NO	DESCRIPTION	MFG NAME	YEAR OF PURCHASE	SPECIFICATION	ACCURACY	QTY
1	CNC Milling BMV-60 4th&5th AXIS	BFW	2014	600x600x1000 4th&5TH AXIS	0.01	01
2	CVM-800	COSMOS	2016	600X500X500	0.01	01
3	Drilling machine	KMT	2016	Dia 20	0.1	01
4	Surface Grinding	Blohm Simplex	2018	700X300	0.01	01
5	CNC Turning Machine	PRIDE	2015	Dia 200	0.01	01
6	CNC Milling ANGUS- 11065 4th&5th AXIS	KTM	2022	650x650x1100 4th&5TH AXIS	0.01	01
6	CNC Milling CLOBBER- 10055	KTM	2022	550x550x1000	0.01	01
